

Letter of Intent

For cooperation between

[organization full official name]

And

[Talentjourney partner organization], as the Talentjourney representative

The (hereafter called "...") and the [Talentjourney partner organization], (hereafter called "Talentjourney"), both hereafter referred to as "party" or "the parties",

desiring to further strengthen and ensure the interaction and continually explore opportunities for collaboration on the Talentjourney platform have agreed to cooperate with the prime scope on exchanging knowledge.

As a general principle, co-operative activities will be carried out through joint projects in the field of training and education (a more precise definition of the activity can be found in the Annexe I to this agreement).

Through this cooperation, "..." and Talentjourney aim at forming a framework for HR development, establishing a reliable and sustainable education partnership to support qualified, creative and skilled employees fostering mutual understanding and promoting cooperation between both parties; they will maintain and develop co-operative activities in those areas of most interest for both parties, with special focus on IoT (AI, CS, Robotics, Data Science and Process production development, Green Economy...).

I authorize the publication of the company data on the Talentjourney platform (<https://talentjourney.si/>) as defined in Annexe II to this agreement.

The two parties maintain a close mutual exchange of information and ensure that the cooperation will bring real benefits to the development of Talentjourney platform.

This letter of intent is valid from the day it is signed and will remain in force until the interests for the cooperation exists by all included Parties. In case of withdrawal, the Party concerned needs to make a written statement.
